QUESNEL DETACHMENT

Attention Staff Sgt. C. Busson,  
NCO i/c Quesnel Detachment

Dear Carl:

Community policing report

City Council, at its April 24th regular meeting, ratified a Committee recommendation of endorsement of your update on the various community policing programs in place now in Quesnel. This was a great report and provides encouragement that a "crime prevention" rather than a "crime-solving" attitude is alive and well at your Detachment.

Please congratulate all the members of your Group who have contributed to the success of these programs, especially yourself and Constable Dhillon! We look forward to your next report.

Sincerely yours,

  
ROBERT GRIVEL,  
ADMINISTRATOR/CLERK
