RE: Mr. Baltej Singh Dhillon

Dear Mr. Busson:

We had the privilege of meeting and listening to Mr. Baltej Singh Dhillon on June 17 & 18 at a seminar and also in our Gurdwara. Our youth and adults were extremely impressed with his personal demeanor, professionalism, and commitment to finest values of life. His thoughtfulness and sincerity in his presentations brightened the faces of our youth, and he is certainly a model for our youth - a person every one would like to emulate. It was indeed a memorable occasion. Our community gained very practical knowledge about the process of becoming an RCMP officer and the experiences involved. Mr. Dhillon was very thorough and detailed in describing the challenges and richness of his experiences.

We take this opportunity to thank Mr. Dhillon for coming here and addressing our community in London. We would also like to thank you specially for allowing Mr. Dhillon to come and participate in our functions in London. It is very much appreciated, and we would like to express our gratitude towards you. We wish every success and happy future for both of you. Thanks.

Sincerely,

HARKINDER SINGH, Secretary  
London Sikh Society, Executive Committee
