

RG 76 vol 261 file 879545 pt 3

Copy Daljit Singh, Seely to Charterer Komagata Maru
to Immigration Agent, Vancouver BC
24 June 1914

No. 51

6c Sir:

I have the honour to state that I have informed you several times before for supplying with fresh water but no answer as yet about it.

All men have been drinking a bad, dirty, unrelish water, which put them to sickness of bad cough & throat sore but now this bad water has been also finished.

I beg to draw your attention to supply us with good fresh water today evening. "
