

Captain Bruce Hay, for Director of Military Intelligence, Ottawa, to Major,  
the Earl of Landborough, Military Secretary to the Governor General

Ottawa, 15 March, 1910

Thank you very much for your letter of March 12.

It seems to me that it would be better to send the papers back to Mr. Hopkinson or else to the India Office for translation rather than to India. [The papers referred to are issues of Swadesh Sewak published in Vancouver in Gurmukhi by G.D. Kumar and obtained and forwarded by Hopkinson]

So much may be contained in even a single paragraph that one could not say whether there was anything of importance in them or not by a casual glance. In any case I think it better to return the papers to you to do as you think fit.

The letters etc. I have forwarded to the Intelligence Branch at Simla.
