To The Immigration Agent,
Vancouver, B.C.
12. 7. 14.

Sir,

I have the honour to inform you that to-day when I was going to take the signature of your Officer, Mr. Quinny, for the letter to you, he ventured to take off the copy, containing other signatures, without giving his signature. Of course, he would have taken it, had I not ventured to jump over the boat. His this courage to take the copy and tear it off into pieces, was very harmful to us, because there were all signatures for officials correspondences in that.

Captain of our ship was present at that time in the launch, and is witness.

Your officer's this kind of effort, to harm us, is very serious.

Take action, as our passengers being in a great trouble, even are going under laws and such kind of your officer's conduct against law, is, of course, very bad.

I further request you that one day, Mr. Hopkinson tried his best to excite the passengers against Mr. Gurdit Singh and me, about which Mr. Bird had been informed.

Our all passengers are quite peaceful. If your officers will make any kind of excitement, you shall be held responsible.

Yours truly,

Signed. Daljit Singh.

Secretary,

"Komagata Maru".
