

Vancouver, B.C., July 14th

Malcolm R. J. Reid, Esq.,
Dominion Immigration Agent,
C I T Y.

Sir:-

I beg to submit a report of the night watch for
July 13th.

The swell in the Inlet became too rough to send
small rowboat out in, so we patrolled with two men in boat
belonging to WINAMAC.

While the Komogata was lying with port side to-
ward North shore, we saw a very bright light placed out of
one of the aft port holes, and as we were some distance from the
boat, and not being seen, as it was a dark night, the light
was kept going for at least an hour.

No Hindu reported on dock for duty, but it would
have been impossible to have heard much with the high wind
that blew.

Would like to requisition for another good pair of
oars, if in case the heavier boat is used as two men were kept
in it.

I have the honor to be,

Sir,

Your obedient servant,

Sgd. S. GARNHAM.
