

To The Immigration Agent,
Vancouver, B.C.
13. 7. 14.

Sir,

We have the honour to inform you that we are suffering without water from yesterday morning, - there was no light from last two days.

Japanese are allowed to take water from shore, while we are kept thirsty. This cruelty of Immigration to allow Japanese for water and keeping Hindus thirsty, is an extraordinary one. This is a great cause of unrest of which we shall not be held responsible.

We have made many requests, but useless.

Take pity on our wretched condition, otherwise, we shall be compelled to get ashore to quench our raging thirst.

Yours truly,

Amar Singh
Harnan Singh
Sunder Singh
Vir Singh.

Committee Members,
"Komagata Maru".
