My dear Sir Robert.

The following  
cypher message has just  
arrived from Mr. Harcourt.

"For telegrams of  
July 17<sup>th</sup> I should be obliged  
if I can be kept informed  
by telegraph how matters

develop in regard to  
'Komagata Maru'.

His Royal Highness  
will be here in the morning  
- perhaps you will be able  
to give him the latest  
news from Vancouver when  
you see him. I suggested  
soon to Mr. Blount &

also wired that time to  
17628

the Duke, but should there  
be any change I can let  
you know early in the  
morning.

Believe me  
yours truly

Arthur J. Haden
