<p>Dear Mr. Walsh</p>		
<p>RE: SELF-DEFENSE AWARENESS PROGRAM</p>		
<p>Receipt of your memorandum dated November 02, 1994 is acknowledged (copy attached).</p>		
<p>I take exception to the student's comment inferring that Constable Dhillon has been negligent in regard to the Self-Defense Awareness Program. Constable Dhillon has diligently applied himself to all programs which he has developed and programs in which he has agreed to participate.</p>		
<p>The descriptor for the Self-Defense Awareness Program, Continuing Education brochure 1929 has stated that "RCMP Crime Prevention, Community Relations and Victim Services coordinating officers" will be conducting/participating in the program. No one has communicated with this office or discussed the feasibility of a member participating in the program prior to the publication of the brochure for the 1994/95 or prior to the publication of the brochure for 1995/96.</p>		
<p>Obviously there has been an oversight/shortcoming in communication.</p>		
<p>In view of the foregoing, this letter is to advise you that due to manpower limitations, we will be unable to assign an officer to the "duty" relevant to the Self-Defense Awareness Program.</p>		
<p>Queens Detachment would be pleased to have copies of relevant videos made available to assist in the course. Please contact Constable S.A. Dhillon to make the necessary arrangements.</p>		
<p>Very truly,  Sgt. M. Ford, Sergeant Officer-in-Charge, Queens Detachment</p>
