Staff Sgt. R. Bouck
Quesnel RCMP

Dear Mr. Bouck:

We were very pleased at Cougar Creek to have a presentation by Cst. Baltej Dhillon of the Quesnel RCMP detachment. Cst. Dhillon was here on holiday but took the time to come and speak to our Intermediate students.

We have a large Indo-Canadian student population. Cst. Dhillon was such a good role model for them. His positive comments about his job as a RCMP officer, I'm sure will encourage students at our school to consider the RCMP as a career.

Thank you

Mike Bickerton
Principal
