Sanktita, India. October 1952 1911.

Dear Sir,

I shall be very glad to hear from you whenever there  
was some one by name through an agency or agent, Mr. Kumar,  
who was working in some firm at Kobe or Yokohama, Japan, and  
here left the place without telling me where he is to  
go. I have, however, to be sure some time with the firm  
where he was employed and then run away from the firm. If  
it is a fact, I am in a position to tell you that the man is  
here employed by the name of Sanktita, who tells, himself, of an-  
other's identity. But he does not state the name. He gives a  
little account of his life as the son of a poor man, but nothing.  
If such is the case, I shall be glad to give you all the in-  
formation you want and if you can give me some particulars  
of his position and the way from India, or Japan, after doing  
some thing to the firm. Further on, I shall be glad to have  
from you the names of the agencies in India, and elsewhere,  
Japan, and other parts of the world from India, who are  
working in the provinces of Japan, or elsewhere in India.  
Japan, I shall be very glad to get the information, as far  
it is possible for you to get it, as we have been to start  
a business, and we want the cooperation of all the agents  
of India using the business in Japan, whether they  
or otherwise to include and interest them in the publication.  
I hope you would very kindly inform me as the matter as far  
as possible, our country would be for the business to be  
done in India and Japan and elsewhere. The business man  
also has required the one working there. Hoping to hear  
from you soon at the matter.

Yours truly
