Mels Constant from his Superior and a second respect 15-5-1 ╘ and and a second Loubus, 1.7 BOVEARAF (151), 1914. Ferniser 6th. The successary of state for finite thinks that is doloud of Musilgen having been mintered the loningen tion Descriment may have teen tert for the moment without the seputions of an activital who is conversant with the Tacian way DOLLAS INCOMEN. NO TOPPRE states that he understands that there are certain officers retired from the Indian arms who ere at present living in Switch Disarting and suggests that If the Genedics, Government should see (15 to uses use of the pervises of each an officer relation to Judien Laplacetion nationed it would have a good affect into dishe who are esevidiers of the Theiss Army in that resvice, as a military ofrides would be after to guide states of this clease to a greater scient, moving their longage and being Smiller with their Contone, this a civilian. The Secretary of State for India thinks that is would not be possible is apply such as officer will obsorbed in executy the sums differ as hepeinson, and the ale insertant consilous arising from solicional protegents on the cossi should to reputed as distinct from the surged work of the Designation Department from num Da. Therefore, if the Depart nest should another such as offlicer, it would be waterstood that mattern secondly investigated should not be Lacquides to his addiews, in this anguestion model he reveatedly received by your Ministers the Secretary of State for India to the test of his shilling works he give to answer any constitute as to any officers powerises record and unwhitigetions.
