### Premier meets with UCFV students in India

UCFV representatives are accompanied by Premier Gordon Campbell this week as a UCFV team in Chandigarh, India. The visit is to meet with officials of the government to discuss joint research and academic projects between U.C. and India.

UCFV President Edg Bartsch and B.C. Regional Treasurer Don Anderson will be in Chandigarh, India in partnership with UCFV for two years now. The program is to use electronic theory to solve practical problems for students, and can allow students to study in Canada to complete 2-4 year work, then to India.

UCFV has been delivering its Bachelor of Business Administration degree in Chandigarh, India in partnership with UCFV for two years now. The program is to use electronic theory to solve practical problems for students, and can allow students to study in Canada to complete 2-4 year work, then to India.

Premier Gordon Campbell visited Chandigarh on Sunday, Dec. 29 and will visit the city to meet

Premier Gordon Campbell visited Chandigarh, India on Sunday, Dec. 29. He was accompanied by M.A. Datta, Deputy Secretary for Medical Education and Health Services and Director, Chandigarh Medical University.
