

Multicultural week : Robron Secondary

		MEMORANDUM NOTE DE SERVICE
B.C.O. 1st General Detachment O.I.C. Campbell River Detachment	[] []	[] [] [] []
Multicultural Week - Robron Secondary Thank you again for allowing Cst. BRILLON time from your schedule to attend Campbell River. His presence at Robron Secondary for the day certainly left a positive impact on the staff and students. The writer was present for one of his presentations. The students and staff were captivated, and the following interaction was very positive. Cst. BRILLON portrayed a positive role model not only for the students from the First Indian Community, but the whole student body. The media was present, and I have included copies from the local press. The local T.V. station videotaped Cst. BRILLON during one of his presentations and broadcast it on the community channel. Although Cst. BRILLON visited one school, his presence was felt by the community.
