To Immigration Agent from Committee "K.M."
Komagata Maru

We beg to inform you that you should be in 5 hours
a day, & the location, when bringing, speak always about
the ship, the crew, the passengers, on board, measure it,
stay, find out the things, and don't know where does
the reason why go away. You try to find out from
the captain, but we is that you is not & bring, the quality
of food you find every day is not sufficient for the
crew only.

It is request, to bring for me meat & for all the day
it is request, to bring for me.

It is also request, to bring for the crew & ship. There is no
light at all to keep long for 7 days, which is very
difficult for the crew, on board, animal, food.

At four o'clock you bring butter & other things, which
is very good, but about this is a very good, which
bring, which is very essential for dinner, without it we
cannot eat, meat, & eggs, etc.

To bring you find it not good to eat, pass, or feeding
back to eat the food of flour.

There is need of a doctor to inspect the crew, every
day, because in ship, if pass, they, things, & ship,
pass, or pass, the crew, & crew.

It is only you should provide the crew, with every
kind of necessities, because you have more the crew,
passengers.

We request you that you please send 15 tons
cater, butter, & remaining things, have left for the
ship, which is very important, as soon as possible, or
send, or send, or send, or send, or send, or send, or send,
or send, or send, or send, or send, or send, or send, or send,
