It suggests that Canada proposes to deport
Indian immigrants and indeed Hongkong
more so Hong Kong. It is certain that will
be no employment for large majority of these
men here. Their, wives, and children, however
by which they are through their family to be
left in all charges assumed by Government
of Hong Kong in connection with their support
by the colonial population statistics. Report
H.K. Government and of C.P.R. Statistics have
been learned accordingly. Government of
Hong Kong has no power to expel them
individually. The Government of Hong Kong
from Canada they may at least look to
behave without falling at Hong Kong.
