Bombay, India. October 1952 1911.

Dear Sir,

I shall be very glad to hear from you whenever there  
was some one by some channel or money or subject, Mr. Ditt Kumar,  
who was working in some firm at Kobe or Yokohama, Japan, and  
has left the place without telling any one where he is to  
be. I have, however, to be sure some news with the firm  
where he was employed and then run away from the firm. If  
it is a fact, I am in a position to tell you that the man is  
here employed by the name of Husain, who tells, himself, of an  
Islamic religion, but he does not show the work. He does a  
little business and so is the son of your head, but I am  
not sure. If such is the case, I shall be glad to give you all the in-  
formation you want. If you can give me some particulars  
of the person who ran away from Kobe, or Japan, after doing  
some work for the firm. Further on, I shall be glad to have  
from you the names of the agencies in India, and elsewhere,  
Japan, and other parts of the world from India, who are  
working in the interests of Japan, or elsewhere in India.  
Japan, I shall be very glad to get the information, as far  
as it is possible for you to give me, as we have been to start  
a business, and so, we need the cooperation of all the agen-  
cies of India doing the business in Japan, wherever there  
is an agency to include and interest them in the publication.  
I hope you would very kindly inform me on the subject as far  
as possible. Our country would be for the business as  
well as to India and Japan and elsewhere. The amount of in-  
formation required for the printing here. I hope to hear  
from you soon at the office.

Yours truly,  
Guran Ditt Kumar
